## 2018-2019 Updated Tuition

Many families asked that we move to an all inclusive “one figure” for tuition. The new one figure now includes the OLPH Book/Technology fee that was historically separate from tuition. This one figure also allows our families to spread the fee across their 10/12 month payment plan.

If you have one child, you will pay the 1<sup>st</sup> student column amount according to the Grade Level of your child. Families with multiple children will pay the 1st student column for the first child, followed by the 2nd student column according to grade level for 2nd child, followed by the 3rd student column according to grade level for the 3rd child and so forth. Always start with your oldest child and move to your youngest child.
