

Dear OLPH 5th-8th Grade Parents,

We are excited to begin our OLPH Co-Ed Soccer Season starting in mid-February. (Coach Garcia will look at his work schedule and give us exact dates.) Coach Alex Garcia will be our soccer coach. Coach Garcia has won several city championships. Both his children (Kimberly 8th, Andrick 11th) play travel soccer and he is in an adult soccer league also. We are so blessed to have him as a coach! Attached also is our tentative schedule and location of practices.

If your child plans to play soccer, please make sure your child has a current physical for the year signed by his doctor. There are 5 forms and a \$75 registration fee that needs to be filled out from you as a parent. All forms are located on the school website www.olphrm.com under the Sports Menu, and then hit Participation Forms. There you will see the Physical Form, Athletic Code of Conduct, Participation form, Uniform contract, and the Parent Driving Form. If your child played basketball the only thing you need to turn in is your \$75 registration fee.

Please make sure you circle all the parents that can drive your child to games or practices. We have travel games, and we need parents to help with driving athletes.

All forms and registration fees should be turned into Mrs. Broderick. All forms and registration fees are due before our very 1st practice. Parents, please take photos of our athletes during our soccer games. Students can get his or her uniform as soon as they have all 5 forms and registration fee in. Athletes can start practice when all 5 forms and registration fee are turned into Mrs. Broderick. Go Saints!!!!

The students love playing a sport and being part of their school team. It is a great experience for your child. All 3 of my children have loved it! Go Saints!!!

Mrs. Broderick
